Manish Sharma

I am Manish Sharma, currently pursuing MCA from BIT Mesra. I am a highly motivated and hard-working person, with an avid interest in software development. My interest mainly lies in Software Development. I have completed many certification courses in Java as well as the MySQL database, and I hope to even further my knowledge in this field. I am proficient in Java, MYSQL, Python, and HTML, and trying to learn AI. Currently, I am also performing a project in Java.

Internships/Projects

Makali Technologies Pvt.Ltd

Mar 2023 -July 2023

Software Trainee

- Key Skills**->Core Java, MYSQL, Java Swing
- Made a project On **Ticket Booking System**. The project objective is to book cinema tickets. The website provides complete information regarding currently running movies on all the screens with details of show timings, available seats. People can book tickets at any time and provide receipts of payment and seats occupied.
